WHAT'S IN MY BAG?

"It's full of my dog's hair," Stephanie Sigman says of her Free People tote

**S**tephanie Sigman's bag holds items for two: herself and her mixed-breed therapy dog, Paloma. Some of the essentials stashed inside include "lots of poop bags and treats," the star of CBS' *S.W.A.T.* (Thursdays, 10 P.M.) reveals. "My dog goes everywhere with me!" The Mexican-American actress, 31, unleashes the rest for *Us*.

**READY TO RUMBLE**  
"I love boxing. I use the Cleto Reyes boxing

gloves. They're made in Mexico and are a shiny purple. I have their wraps for the wrists in pink too."

**SAFETY FIRST**  
"I carry pepper spray. My brother gave it to me. Every time I see him, he gives me one! He's just a protective brother."

**PAWSOME PROTECTION**  
"My iPhone is in a clear case that Diana Paw Art on Instagram designed for me. They painted a photo with my dog on it. It's beautiful."

**MOODY BLUES**  
"I have these lipsticks from Mexico called Princessa, but I found them on Amazon. They're magic. They are in blue and green, and it changes the color of your lips for the perfect shade. I'm so glad Amazon has them. I have them all."

**SNACK ATTACK**  
"I'm loving these protein bars from GoMacro. I have three of those — any flavors."
